Benefit For The Greater New Orleans Therapeutic Riding Center

Join us on April 20, 2008, for the Harley for Horses Benefit Motorcycle Run to benefit the Greater New Orleans Therapeutic Riding Center, a nonprofit organization dedicated to the well-being of children and adults with disabilities through horse assisted activities. The organization was founded in 1993 with four students and two horses. Today, the riding center helps riders with disabilities with nine horses.

The motorcycle run, open to riders of all makes of motorcycles, began when GNOTRC was given a pet pig named Harley, which has become the mascot for this event.

This year's motorcycle run is set to depart at 11:00 A.M. on April 20, 2008, from the St. John Parish Community Center at 2900 Hwy. 51 in LaPlace. Registration will start at 9:00 A.M. The route will take the run for lunch at Fred's On The River in Port Vincent, and end at St. Rose Travel Center with live music, a raffle, and an auction following the run.

Registration for the event is \$25 for a single rider, and \$35 for rider and passenger. The fee includes lunch at the midpoint, and admission to the live music following the run. Music will start at 3:00 P.M. Non-riders are invited to join the festivities at St. Rose Travel Center for a small fee.

Join the Harley for Horses Benefit Motorcycle Run and help raise much needed operating funds.
